

MassMonopoly Customer Center

Please login to view your project during development.

MassMonopoly is used all over the world to power everything from simple, personal homepages to complex corporate web applications. Here are just some of the ways people use our software:

- Corporate websites or portals
- Online commerce
- Small business websites
- Non-profit and organizational websites
- Government applications
- Corporate intranets and extranets
- School and church websites
- Personal or family homepages
- Community-based portals
- Magazines and newspapers
- the possibilities are limitless…
